

Join Us for a Public Forum on Policing in Our Community

Thursday, 20 March 2025, at 7:00 PM

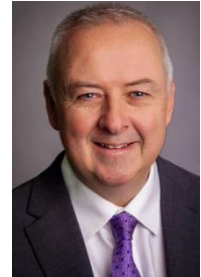

Hosted by Barton under Needwood Parish Council at John Taylor High School

Have your say!

This is your opportunity to meet the decision-makers and address key local issues around policing.

We are pleased to announce that Ben Adams, our Police, Fire & Crime Commissioner, will be attending this important event to hear directly from you. Also, on the panel of guests will be County Councillor Julia Jessel, Chief Inspector Rob Neeson, East Staffs LPT Commander and Borough Councillor, Jacqui Jones.

A recent survey conducted by Barton under Needwood Parish Council revealed significant concerns around policing, particularly the lack of visible police presence in our community. This forum is your chance to ask tough questions, share your views, and push for change to better support our local areas.

Why should you attend?

- **Be heard** – Share your concerns and ideas about policing in our community.
- **Get answers** – Question leaders directly about plans and priorities.
- **Influence** – Voice your ideas and help shape the direction of local policing resources.

It would be helpful in planning the event, if you could let us know if you are attending by emailing clerk@bartonunderneedwood-pc.gov.uk or via our Facebook page. If you are able, let us have any specific questions or topics in advance of the meeting.
