A Meeting of **Barton-under-Needwood Parish Council Finance Committee** was held on <u>Monday 23rd</u> <u>October</u> 2023 at 6:30pm, Barton Village Hall, Crowberry Lane, Barton under Needwood.

<u>Attendees: James Brookes, Derek Lord, Steve Naylor (Chair), Siobhan Rumsby (Clerk/RFO),</u> <u>Ed Sharkey Jeannette Taylor, Lindy Young.</u>

All members of the committee were in attendance.

- 1. The meeting reviewed the documents which had been circulated by the clerk in advance.
- 2. Bank balances were signed off by the Chair of the FC.
- 3. The following points were discussed in relation to the Budget versus Receipts and Payments document:
 - 3.1. The current forecast is to overspend budget by £6,621. Whilst this is manageable through the reserves, it was agreed that the committee should minimise the risk of overspend in future years. There are three primary sources of the overspend: Staff Costs; Car Park and Other. It was agreed if we can obtain more information regarding the increase in staff costs, we will use that to inform future forecasts and better understand the current variance. The committee was not minded to address staff overspend through a reduction in staff costs.
 - 3.2. Burial Ground costs and income were higher than forecast. There will come a point in the future where the Burial Ground costs will have no offsetting income. The committee agreed that there are two options to address this:
 - a) Build a fund in each financial year to cushion the impact of loss of income (or similarly use existing reserves);
 - b) When the loss of income occurs, fund the Burial Ground costs from the PC annual budget.

It was noted that the auditor had recommended that option (a) be used, but the meeting agreed to clarify the precise advice of the auditor and then agree a plan of action at the next meeting.

Post meeting note: Councillor Brooks has extracted the auditor comment "We note that your burial ground is getting close to its full capacity and have suggested to your Clerk that the council should consider starting an accumulating ear marked reserve to fund maintenance once the income stream dries up'.

3.3 Allotments. Given that the Allotments are moving to a new contract, the timetable for payments needs to be understood. The start of the new contract in September will be misaligned to our financial year. We will need to decide how we represent the payments in our accounts. It was agreed that the Allotments Committee will decide how to handle.

- 4. On behalf of the Fishpond committee, Councillor Taylor presented a proposal for the replacement of the fishpond training platform. The estimate is for £8,845 plus £1,769 VAT. Three quotations were sought but it was possible to secure estimates from only two suppliers. The proposal was unanimously recommended for approval, but it was also agreed to seek external funding (although this is not a condition of FC approval). This will be therefore proposed at the next full council meeting.
- 5. The situation regarding the transfer of Village Hall staff costs to the Village Hall was discussed. It was agreed to support the proposal by the Village Hall management committee to move their staff costs to their own payroll. This will benefit the PC as it will simplify our accounts.
- 6. It was agreed that the Clerks old printer will be donated to the Village Hall.
- Committees will be asked to provide budgets by 20th November, ahead of the next meeting of the Finance Committee, which will be on 27th November 2023 at 18:30.

PLANNING – All matters have been referred to the Planning Committee and their comments appear in italics below, the Committee meet fortnightly 5pm, in the Douglas Room, Barton Village Hall. Please contact the clerk for dates should you wish to attend any Planning Meetings

1. 00727 - Yew Tree House, Yoxall Road, Woodhouses : Change of use from Class C3 dwellinghouse to form a small-scale childrens care home Class C2 (Amended Plans Received)

This revised application does not address our concerns with the original proposal. The application for change of use is well outside settlement boundaries.

Local Plan policy SP8 covers development outside settlement boundaries. It sets out nine criteria for permitting such development. We see nothing in the application to show it complies with any of these nine points. Proposals which are deemed to comply with one of the initial nine then face further tests.

Whilst the appearance may well be that of a dwelling what is proposed is its use as a business. As it is not residential the applicants have an obligation to show why such a use should be permitted in a rural restricted area. We are not told why this operation could not be in a more sustainable location. Have other premises been considered and if so why have they been rejected as unsuitable? The staff travel journeys shown in the "Traffic Movements" document would presumably all be by car rather than the occasional bus service through Woodhouses. The suggested number of journeys would seem to be above those of a residential house which we believe are closer to six a day on average. In a more sustainable location some staff would be able to travel other than by car.

The applicant puts forward the argument (para 6.4) that the site is entirely suitable due to the lack of surrounding residential properties. We find this odd because on the one hand they say that the use is just like a normal house in which case why is a lack of surrounding properties important? If the use isn't going to cause any noise or other impacts then again why is the lack of surrounding residential properties important? Can the applicants show a track record of having run similar establishments satisfactorily in such a rural location?

We made enquiries about a comparable home in the village of Newborough that was established with similar assurances but has caused considerable nuisance to other residents. An Ofsted inspection of this establishment in November 2022 judged it to be "Inadequate". On reading this report we see that the registered provider is shown as Olive Tree Residential Care Limited, as is the current applicant.

There may be good laudable reasons for siting such a use in this rural location but on the basis of the accompanying evidence, the planning case and therefore the justification for overriding Policy SP 8 has just not been made.

We therefore object to this application in its current form as being contrary to SP8 of the Local Plan.

2. 01058 - Utterhill House, 8 Main Street : Canopy reduction of two Silver Birch trees by 40% and removal of overhanging branches

The applicant is not stating that the trees are diseased or dangerous nor causing damage to property and we consider the reasons given in the application form do not justify the proposed work to trees within the conservation area. We ask that the ESBC Tree Officer inspect these trees prior to a decision being made. We therefore object to the application in its current form.

3. 01079 - 94 Captains Lane : Erection of a detached outbuilding to form gym, shower room and store to garden

DP3, Design of New Residential Development, Extensions and Curtilage is the appropriate policy for this application. Two criteria appear to be relevant:

The development should not have an unacceptably overbearing impact on adjacent dwellings. We are concerned about the close proximity of the structure to the neighbouring house in Oak Road which has a relatively short rear garden. There may be issues with noise nuisance from the gymnasium, such as "background" music, overbearing in an audible if not visual sense. Buildings constructed within the curtilage for uses that are ancillary to the dwelling should be appropriately designed and sited for their intended ancillary use paying regard to the size of the dwelling and its curtilage. The proposed building does seem to be quite unusually distant from the existing dwelling and not obviously ancillary the house. A more obvious location would be as an extension to the house or as a separate structure, closer to the house.

We therefore object to this application in its current form.

Should this application be granted we would like to see a condition that the use is restricted to that of gymnasium and any alternative use such as to residential or sleeping facilities requires specific planning permission.

Present: Cllrs Charley Walker, Ed Sharkey, Derek Lord, Stephen Naylor Siobhan Rumsby (Parish Clerk) Apologies: C. Allcock

Actions from previous meeting on 18th September, 2023: Appraisals:

• Final documentation for staff appraisal approved and process amended and agreed upon following online training. The same appraisal documentation to be used for the Clerk as other employees. It was agreed that this would be reviewed prior to re-appraisal. Agreed that the Parish Chair and the Chair of the HR Committee to carry out the Clerk's appraisal.

Policies:

- Social Media Policy discussed and amended and agreed. Draft to be checked and then put to full Council for acceptance.
- Policy list with suggested priorities produced by the Parish Clerk. This was discussed and amended. Revised list to be made available at next meeting, including an area to show which group within the Council would be taking responsibility for these to be updated.

Safeguarding:

• The Parish Clerk has been in contact with ESBC and Michael Hovers, Communities, Open Spaces and Facilities Manager, who has responsibility for Safeguarding at ESBC. A Zoom meeting to discuss our needs to be arranged and agreed.

Next Meeting: To be confirmed.

• Committee ask that these minutes and recommendations be noted and approved by full Council.

Meeting finished at 9.02pm

Barton under Needwood Parish Council – Allotments Report

Start-up meeting held with Tom Wright the contractor who is to undertake the car park construction.

Estimated time for construction 1-2 days, start agreed to be in November

A complaint was received from a resident of Hardy Close whose washing, hung out drying was spoiled by smoke from a bonfire on the allotments. The plot holder was identified and sent a warning letter.

In theory, the plotholders are supposed to get permission to have a bonfire but in practice don't. There is a sign on the notice board setting out requirements to be met when setting a bonfire so in effect we have given implied permission.

Waiting List:

The one and only half plot was taken last Sunday. There are currently no vacant plots. Eight people are on the waiting list.
